## WVSOP History

Young men, we hope you will consider taking part in this three-day camp of study and fellowship, introducing you to some of the basics of Gospel preaching. Now, you DO NOT have to be set on being a preacher in order to come to this camp. Just come and enjoy the experience! Whether or not you plan on preaching, you'll learn things of great value to any male New Testament Christian! Please feel free to call me if you have any questions at 304-845-8001.

This three-day camp will focus on challenging and training young men who want to prepare themselves for leadership in the Lord's church.

Participants will receive instruction and mentoring from faculty and graduates of the WVSOP. Campers are encouraged to present a short sermon, lead singing, and prayers and build lasting bonds with other campers, faculty, and graduates.

Scriptures for memorization will be mailed to participants when their application is received. Students are required to memorize assigned passages from either KJV, NKJV, or the ASV.
