

WVSOP History

ANDY ROBISON

Director WVSOP

Young men, we hope you will consider taking part in this one day camp of study and fellowship, introducing you to some of the basics of Gospel preaching. Now, you DO NOT have to be set on being a preacher in order to come to this camp. Just come and enjoy the experience! Whether or not you plan on preaching, you'll learn things of great value to any male New Testament Christian! Please feel free to call with any questions at 304-845-8001.

Future Preacher Training Camp

This one day camp will focus on challenging and training young men who want to prepare themselves for leadership in the Lord's church.

Participants will receive instruction and mentoring from faculty and graduates of the WVSOP. Campers are encouraged to present a short sermon, lead singing and prayers, and build lasting bonds with other campers, faculty, and graduates.

The FPTC is intended for young men ages 13-18.

Registrants will be called with information about Scripture memorization and two-minute lesson preparation!
