Graduation

Our graduation and banquet were held June 17, 2022, as Noah West finished his course of study at the school. Also, we were able to honor Dave Majewski and his late wife Connie for their loyal service to the Lord through the Hillview Terrace church of Christ and the West Virginia School of Preaching. Ed Melott gave the charge to the graduates, and Randy Chamberlain spoke in honor of Dave and Connie.

Announcing: Wives' Program

Prospective students' wives have asked from time to time as to whether we have an official wives' program. Now we do. In the past, our preachers' wives worked informally with any students' wives in a few classes as time and availability allowed. Now, we have a full curriculum, consisting of several classes taught by ladies to ladies, and three classes of our regular curriculum in which the wives participate along with their husbands. Below is an outline. It is also found on our website at <https://wvsop.com/wives-program/>

The West Virginia School of Preaching is now offering a formalized program for students' wives. The program will have two components:

1) There will be three classes from the regular curriculum in which wives join their husbands in class:

Quarter 1: Life of Christ

Quarter 2: Marriage and Family

Quarter 7: Homiletics IV (Work of a Preacher)

2) In addition, there will be one class per quarter taught by preachers' wives (Thus, in quarters 1, 3, and 7, the wives will have two classes). Whereas each year brings a different set of circumstances regarding students' wives' schedules, each instructor for this second category of classes will work with the students' wives to find the best time for the class. These classes will include:

Quarter 1: Personal Spiritual Growth—A Study of 1 John

Quarter 2: Book of James

Quarter 3: Evangelistic Women

Quarter 4: Women of the Bible

Quarter 5: Loving Your Husband

Quarter 6: Public Speaking

Quarter 7: Teaching Methods

Quarter 8: Practical Advice from Preachers' Wives

Busy Campus

The number of students in our full-time program is low, but our campus reflects more activity.

This coming August, we will have one full-time student in the second-year class; two are entering the first-year class. In addition, we have two retired gentlemen who are coming at their own expense, taking almost all the classes, but on their own pace.

Also, we have area preachers taking select classes here and there, and we have even had two high school students taking our Greek class.

Our online program has had between twenty and fifty in a class, some for audit and some for credit.
